ON INNOVATION**

EXPERIENCED MANUFACTURER

**ZLEPŠOVÁNÍ
VÝŽIVY KONÍ V ČR**

FEEDIN' YOUR DREAMS.

TOP TIER QUALITY

We live for quality. Our nutritionists select only the highest quality feed ingredients from across the EU, all of which must meet the strict requirements of GMP+ certification. Specialists in our laboratory continuously monitor and analyze the quality of all manufactured products. We use only GMO-free ingredients.

EXPERIENCED MANUFACTURER

MIKROP ČEBÍN a.s. was founded in 1968 as a "Manufacturer of mineral and feed supplements." Today, our portfolio includes not only mineral feeds and premixes for livestock, but also complete and complementary feeds for farm animals, as well as high-quality feeds and specialized nutritional supplements for horses.

FOCUS ON INNOVATION

Our nutrition specialists regularly introduce innovative components and active ingredients into our formulas, participate in scientific research, and attend leading international conferences. In the field of equine nutrition, we collaborate with Czech universities and regularly present our findings at the European Conference on Equine Nutrition and Health (EEHNC).

IMPROVING HORSE NUTRITION IN CZECH REPUBLIC

Our goal is to improve the quality of nutrition and overall well-being of horses in the Czech Republic and Slovakia. Every year, we organize seminars led by top nutritionists and veterinary experts for our customers and business partners.

FEEDS

FEEDS

Granulated feeds, mashes and mueslis of the Mikrop Horse brand are developed in line with the latest scientific research. We continuously strive to improve the quality of equine nutrition in the Czech Republic and to bring innovative, palatable products that support the health and longevity of your horses. Our feeds are free from oats and GMO ingredients. All our feeds are produced in premium quality and comply with GMP+ certification standards.

MIKROP HORSE RELAX

MAINTENANCE AND LIGHT WORK

- Ideal for maintenance and light work
- Contains vitamin-mineral premix

Daily dosage: 0,3—0,5 kg / 100 kg bodyweight.

Daily dosage example – Horse 550 kg: 1,65 – 2,25 kg.

Composition: Wheat bran, barley, alfa-alfa, apple pomace, monocalcium phosphate, soybean meal, canola oil, calcium carbonate (limestone), linseed meal, vitamin-mineral premix.

Light work
(Hobby)

MIKROP HORSE RELAX CHONDRO

MAINTENANCE AND LIGHT WORK WITH ADDED COLLAGEN

- Ideal for maintenance and light work
- Enriched with collagen, glucosamine, chondroitin
- Contains vitamin-mineral premix

Daily dosage: 0,3—0,5 kg / 100 kg bodyweight.

Daily dosage example – Horse 550 kg: 1,65—2,25 kg.

Composition: Wheat bran, barley, alfa-alfa, linseed meal, rapeseed meal, apple pomace, calcium carbonate (limestone), canola oil, collagen, D-glucosamine sulfate, chondroitin sulfate, vitamin-mineral premix.

Light work
(Hobby)

Seniors

MIKROP HORSE SPORT ACTION

MEDIUM AND HEAVY WORK

- High amount of easily digestible energy
- Formulated for intensive and short-duration work
- Contains vitamin-mineral premix

Daily dosage: 0,5—0,65 kg / 100 kg bodyweight.

Daily dosage example — Horse 550 kg: 2,75—3,5 kg.

Composition: Barley, maize, alfa-alfa, wheat bran, apple pomace, canola oil, monocalcium phosphate, grape pomace, soybean meal, salt, vitamin-mineral premix.

Heavy work

MIKROP HORSE SPORT MUSCLE

RICH IN OIL FOR MEDIUM AND HEAVY WORK

- Combines fast- and slow-releasing energy
- Formulated for the strength-endurance training
- Contains vitamin-mineral premix

Daily dosage: 0,5—0,65 kg / 100 kg bodyweight.

Daily dosage example — Horse 550 kg: 2,75—3,5 kg.

Composition: Barley, maize, alfa-alfa, wheat bran, soybean meal, grape pomace, canola oil, apple pomace, monocalcium phosphate, calcium carbonate (limestone), linseed meal, L-lysine, DL-methionine, vitamin-mineral premix.

Heavy work

MIKROP HORSE KLISNY (MARES) BREEDING AND LACTATION

- For the period from the 9th month of gestation, and lactation
- Suitable for foals before and after weaning
- Contains vitamin-mineral premix

Daily dosage: 0,4—0,6 kg / 100 kg bodyweight.

Daily dosage example — Mare 550 kg: 2,2—3,3 kg.

Composition: Barley, wheat bran, alfa-alfa, maize, calcium carbonate (limestone), soybean meal, canola oil, monocalcium phosphate, linseed meal, L-lysine, DL-methionine, vitamin-mineral premix.

Mares

Foals

MIKROP HORSE HŘÍBATA (FOALS) PROPER DEVELOPMENT AND GROWTH

- Ideal for foals after weaning
- For proper development and balanced growth
- Contains vitamin-mineral premix

Daily dosage: 0,3—0,5 kg / 100 kg bodyweight.

Daily dosage example — yearling (warm-blooded) 270 kg: 0,8—1,35 kg.

Composition: Barley, maize, soybean meal, wheat bran, alfa-alfa, monocalcium phosphate, salt, calcium carbonate (limestone), vitamin-mineral premix.

Foals

MIKROP HORSE FIBRE

FIBER BALANCE

- Reduced starch and sugars content
- Enriched with zeolite (mycotoxin binder)
- Contains vitamin-mineral premix

Daily dosage: 0,2—0,4 kg / 100 kg bodyweight.

Daily dosage example — Horse 550 kg: 1,1—2,2 kg.

Composition: Alfa-alfa, wheat bran, maize, barley, apple pomace, milk thistle oil, linseed meal, soybean meal, Zeofeed®, calcium carbonate (limestone), monocalcium phosphate, vitamin-mineral premix.

Light work
(Hobby)

SUPPLEMENTS – POWDER**

VITAMIN-MINERAL SUPPLEMENTS – POWDER

Mikrop Horse vitamin-mineral supplements in powder form provide all the necessary vitamins and minerals for a balanced diet. They are suitable for everyday use in diets of sport, hobby and breeding horses throughout the whole year.

MIKROP HORSE MINVITER UNIVERSAL

- Essential vitamin and mineral supplementation
- Combines organic and mineral elements
- Universal

Daily dosage:

20 g / 100 kg bodyweight.

Daily dosage example –
Horse 550 kg:

110 g.

MIKROP KONĚ VDK BIOSTRONG LARGE PACKAGING

- Basic vitamin and mineral supplementation
- Universal

Daily dosage:

20 g / 100 kg bodyweight.

Daily dosage example –
Horse 550 kg:

110 g.

MIKROS KONĚ

BASIC VITAMIN AND MINERAL SUPPLEMENT

- Basic vitamin and mineral supplementation
- Universal

Daily dosage:

20 g / 100 kg bodyweight.

Daily dosage example –
Horse 550 kg:

110 g.

MIKROP HORSE FAMILY

GESTATION AND LACTATION

- Balanced vitamin-mineral supplement
- Supports fertility and lactation in mares
- Rich in essential amino acids

Daily dosage:

5–10 g / 100 kg bodyweight.

Daily dosage example – Mare 550 kg:

28–55 g.

NEW

MIKROP HORSE VIT·AMINO·MIN SENIOR CARE

BALANCER – GRAIN FREE FOR SENIORS

- Premium vitamin-mineral supplement
- Grain-free formula rich in proteins, ideal for seniors
- All microelements in organic form

Daily dosage:

25 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 138 g.

They combine the benefits of vitamins, trace elements, amino acids and herbs, drawing on the latest knowledge in equine nutrition.

MIKROP HORSE DIAMOND CARE DHA ALGAE RICH IN DHA FATTY ACID

- Grain free
- Contains algal DHA
- Suitable for horses with skin allergies, RAO or gastric ulcers

Daily dosage:

5–10 g na 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 28–55 g.

NEW

MIKROP HORSE DIAMOND CARE PREMIUM SPORT MINERALS WITH L-CARNITIN FOR PERFECT PERFORMANCE

- All essential vitamins and minerals
- Optimal digestibility and absorption of nutrients
- Accelerates regenerations of muscles
- Contains L-carnitin

Daily dosage:

15 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 83 g.

MIKROP HORSE DIAMOND CARE MUSCLE+CONDITION TOP LINE MUSCLES

- Grain free
- Accelerates muscle building and regeneration
- Suitable for all categories – sport, seniors, mares, foals

Daily dosage:

10–20 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 55–110 g.

MIKROP HORSE DIAMOND CARE FLEX+MOVE

JOINT SUPPORT WITH BOSWELLIA

- Grain free
- Without MSM — suitable for foals and young horses
- Ideal for sport horses

Daily dosage:

5—10 g / 100 kg bodyweight.

Daily dosage example —

Horse 550 kg: 28—55 g.

MIKROP HORSE DIAMOND CARE HOOF+BOOST

HOOF GROWTH

- Grain free
- Accelerates hoof growth
- Contains biotin, essential amino acids and micronutrients

Daily dosage:

4—8 g / 100 kg bodyweight.

Daily dosage example —

Horse 550 kg: 22—44 g.

MIKROP HORSE DIAMOND CARE PROBIO+DIGESTION SYMBIOTICS

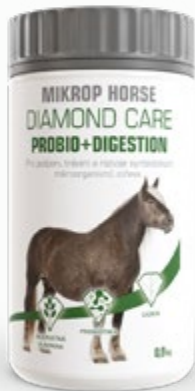

- Grain free
- Live yeast cultures
- Prebiotic fiber

Daily dosage:

4–8 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 22–44 g denně.

MIKROP HORSE DIAMOND CARE IMMUNITY+HEALTH STRENGTHENING THE IMMUNITY

- Grain free
- Rich in sea buckthorn, spirulina, curcumin and red currant
- High content of vitamin C and E

Daily dosage:

5–10 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 28–55 g denně.

MIKROP HORSE DIAMOND CARE DETOX+REGENERATION MYCOTOXIN BINDING

- Grain free
- With milk thistle and mycotoxin binder
- Supports liver function

Daily dosage:

5–10 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 28–55 g denně.

MIKROP HORSE DIAMOND CARE MAGNESIUM ORGANIC ORGANIC MAGNESIUM – CALMING EFFECT

- Grain free
- Easily digestible organic magnesium
- Calming effect

Daily dosage:

5–10 g / 100 kg bodyweight.

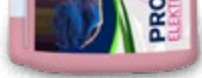

Daily dosage example –

Horse 550 kg: 28–55 g denně.

- Supports regeneration and immunity
- Soluble in water
- Can be administered via drinking water or feed

Daily dosage:

2 g / 100 kg bodyweight.

Daily dosage example –

Horse 550 kg: 11 g.

**MIKROP
HORSE**

**MIKROP HORSE
OTHER PRODUCTS**

SALT LICK

Salt lick in 10 kg blocks.

Variations: Solset Normal – rock salt (NaCl), Solset Universal – multimineral lick without copper, Solset Extra – multimineral lick.

MIKROP ML KONĚ ECO

In preparation – molases multimineral lick for ECO farms.

BREWER'S YEAST

NATURAL B VITAMINS

- Natural source of B vitamins
- Easily digestible protein supplement
- Suitable for all horse categories

LINSEED CAKE

MUSCLE BUILDING AND SKIN HEALTH

- High in omega-3 and quality protein
- Add to feed to improve palatability
- Promotes shedding and muscle growth

ŽIVÝ UHLÍK

BIOCHAR

- Effective for diarrhea, fecal water, flatulence
- Stops acidification in intestines
- Does not bind nutrients or active ingredients from feed

Daily dosage example –
Horse 550 kg: 33 g for 30 days.

Daily dosage example –
Pony 300 kg: 16 g for 30 days.

In case of acute diarrhea or free
fecal water double the dosage.

IREL SILYFEED BASIC

MILK THISTLE CAKE

- Supports liver function
- Rich in the active ingredient silymarin
- Ideal for horses under stress and seniors

IREL OSTROPESTŘECOVÝ OLEJ

MILK THISTLE OIL

- Source of slow-releasing energy
- Natural source of vitamin E
- Rich in omega-6 fatty acids
